DOG & INTERSEX CLASSES

It was exciting to be asked to judge at the Potomac specialty for the second time; having very much enjoyed my first visit to this club, I was really looking forward to seeing you all again. The club is fortunate that its members work so well together with the joint aim of putting on a great show, and this they certainly do. Thanks from us all must go to show chairman Shawn Michael for her untiring efforts and great attention to detail, and the president/assistant show chairman Gigi Fitzgerald who has done so much for Pembroke and Pembroke people in this area. Special thanks to Carolann Van Wyen for making sure Glen and I were well looked after. Beth and Bill Wisecup and Chris and Bruce Taylor ferried us around, and with Beth we discovered the wealth of wonderful antique shops in charming Leesburg.

All the judges had the great privilege of dining at the home of Brenda and Walt Day, and how lucky the club is to have such generous members. They also made sure we got to the airport in time after we had spent far too much in the Leesburg outlets.

It was good to see so many vendors of Corgi goodies at the show and all the winners enjoyed special prizes created by talented Linda Ozelis. The prizes in the auctions were tremendous and I only regretted that lack of space in our suitcases prevented us bidding more seriously.

Thank you for your generous gifts, and especially the personalized model, another piece of Linda's artistry.

The efficient stewards, headed by Barbara Bounds, ensured we got through a substantial entry in good time.

The dog classes, as usual, were a bit mixed type-wise but I had some very good males to choose from and I really did like my winner's dog, reserve, and the second in 12-18, three top class dogs. It was fun to watch Andy Carter work his way through some superb bitch classes and I envied him his task. With so many quality bitches the breed is in fine fettle in the U.S.

The BOB competition was intense and neither my first nor second cuts were easy to make. Especially among the bitches, I was splitting hairs between the final few and any one of six bitches could with equal justice have ended up as best opposite.

A couple of minor quibbles: in the quest for that bit of length we all admire, please don't get them too long in loin rather than ribbing, and are fronts as good as they used to be? A surprising number didn't stand totally true. It's something a clever handler can minimize, I know, but please watch it anyway.

The majority were well presented and smartly handled.

Interesting to note once again the big impact Australian and New Zealand breeding is having on the American Pembroke. The breed is certainly very internationally minded these days; indeed no fewer than four American Pems have won their title in Britain during the past year.

PUPPY DOGS, 6-9 MONTHS (10 entered)

Not an easy class to start with, all at different stages, in a month or two they could all look very different.

1. BRYNLEA HOW'S THINGS AT ULAMAUNA (Brynlea These Foolish Things x Brynlea All The Trimmings). Breeder: Brenda Stiles. Owners: B. Stiles & D. Brooks. Topline needs to firm up and I hope he will balance out front and rear but I felt this glamorous tri stood out, has a lot of quality, very promising masculine head with beautiful dark eyes, super bone and front, substantial, sensible length of leg, true coming and going, topline better on the move than standing.

2. RANPRI'S THE BUCK STOPS HERE (Ch. Triple H Once In A Brew Moon x Triple H Wildflower II). Breeder/Owner: Randy Pritts. Scores in outline and looked very good going round, well bent

stifle, low hocks so moved soundly at the rear. Not quite the expression of one, nor so firm in front standing or moving.

3. TERENELF IT'S ALL ABOUT DA BREW (Ch. Brynlea It's All About Me x Terenelf's Midnight Star Ale). Breeder/Owner: Lois Kay. Classy sable, quality head, good bone and rear angulation though didn't go quite so true behind as 1 or 2, nor with the same drive. Should look good when he settles.

4. RANPRI'S BAD MOONRISING (Ch. Triple H Once In A Brew Moon x Triple H Wildflower II). Breeder/Owner: Randy Pritts. Litter brother to 2, a smaller type with a lot of appeal, smart outline, dark eyes, good side gait for one so young. Head could be a touch more masculine but he's only just six months and when he settles on the table could do well.

PUPPY DOGS, 9-12 MONTHS (7 entered, 1 absent)

1. HUM'NBIRD WOULD YOU BELIEVE (Ch. Sua Mah Thanks For Believing x Ch. Hum'nbird Wood Lily). Breeder/Owner: Carrie Chase. Workmanlike deep red boy, the truest mover in the class. OK head, dark eyes, needs to hold his ears higher, good neck, bone and topline, well bent stifle, can tighten a bit in front.

2. CALLOWAY PARLOR LULLABY (Ch. Hum'nbird Nathaniel Hawthorne x Calloway Parlor Repartee). Breeder/Owner: Pam Hudson. Tri of great quality, very nice head, correct eyes, ears, and expression, scores in overall balance. Not the topline or hind movement of 1, nor so steady going round at this stage.

3. DALARNO COVER OF USA TODAY (Ch. Caralyn's Casper of Gaylord x Gaylord's Hidden Treasure). Breeder: Carrie Harris. Owners: Judy Gooding & Carrie Harris. Unexaggerated sable, could project himself a little more but grew on me as the class went on. Quality head, sound, OK angulation, could have a touch more length.

4. PEMBURY HOUSE TRITON (Ch. Triple H Enchanted Hip Hop x Ch. Pembury House Presence). Breeder/Owner: Sandi Eaton. One who needs a lot of time to come to his best but could end up very smart as he already has a lot of style, quality head, good topline. A touch upright in front but still managed to stride out well. Rather leggy as yet and needs to drop into himself.

DOGS, 12-18 MONTHS (14 entered, 3 absent)

Excellent class.

1. TALLYRAND HIGH FIVE (Ch. Aberlee Bransby x Tallyrand Devoted To You). Breeders: Joseph & Lois Zelenski. Owners: Bonnie Downing & Lois Zelenski & Kristen Francis. Just 12 months and a top class youngster, must have an exciting future, very typey, super outline, lovely quality head, masculine without being overdone, super eyes and ears, good neck, excellent topline, well bent stifles with which he really drove on the move, shoulders well angulated if slightly forward placed. Really hard decision for winners dog, this one had a bit more hind thrust but wasn't quite so clean going away, it could have gone either way. **RESERVE WINNERS DOG.**

2. SANDFOX MEDAGLIA D'ORO (Ch. Byendebrok Maplecreek Baccarat x Ch. Sandfox Set Me Free). Breeder: Vicki Sandage. Owners: B. Stiles & S. Klar & P. Bittles & V Sandage. Lovely tri, very much my cup of tea for type and balance, classic unexaggerated outline, neat front and feet, quality head, marginally narrower between the eyes than 1, super neck and topline, strong hindquarters. Not quite the drive of 1 today and went slightly narrower in front but a beautiful young dog, will make a very worthy champion.

3. HERONSWAY CRY FREEDOM (Ch. Arbor Festiniog Voyager x Ch. Heronsway Land Of The Free). Breeder/Owner: Anne H Bowes. Another handsome tri with exceptionally attractive markings, superb showman, smart as paint, quality head, ears slightly too rounded, good bone and topline, well bent stifle, feet could be neater, moved soundly without so much extension as 1 or 2 whose balance and body length I preferred.

4. CORGARD FORBIDDEN MEMORIES (Dalarno A Shining Legacy x Ch. Corgard Memories of Foxway). Breeders: Michele Pohl & Kandy Boll. Owners: Ellen Schusterson & Kandy Boll & Michele Pohl. Handsome boy, scores on outline, excellent neck, strong powerful hindquarters, well bodied, really strode out, reachy

neck. Dark eye but slightly plainer expression than those above whose shoulders and front I preferred. But a very stylish dog who well earned a place in this strong class.

NOVICE DOGS (1 entered)

1. TERESELF'S MAC N CHEESHE (Ch. Cedar Creek's Oliver Twish x Terenelf's Grand Buffet). Breeder/Owner: Lois Kay. Sable, OK balance, well boned, good shoulders. Could have a touch more head quality, very reluctant on the move today.

BRED BY EXHIBITOR DOGS (10 entered, 2 absent)

Some variation in type made this quite an interesting class to judge.

1. WILDIFOX CALLOWAY CARTIER (Ch. Cinonnie Rigel x Haute Couture of Dwynella). Breeders: Diane Sprung & Pam Hudson. Owners: William & Diane Sprung. Scored on his outline and balance, quality head, good neck, level topline, ideal size, strong hindquarters with low hocks, well shaped feet, upper arm placement could be a touch better. Had a good steady side gait but must learn not to look up at his handler.

2. NEBRIOWA CHRISTOFLE (Ch. Pemcader Belroyd Zodiac x Ch. Nebriowa Hello Good Lookin). Breeder: Thomas Mathiesen. Owners: Douglas Mankovich & Nanciellyn Lazarowitz & T. Mathiesen. Quality boy of nice size and pretty type, scored on head type, well bodied. Front could be a touch truer, moved OK coming and going, not the length or drive of winner.

3. FAERIETALE CURIG FOSTER (Ch. Coventry Quest x Willoan's Becky Biggens). Breeders/Owners: Susan Neave and Barbara Du Pree. Good honest dog, appealed more as the class went on. Masculine head, could have a bit more chiseling under the eyes, steady mover, good front standing but slightly narrow on the move, well balanced outline, not in his best bloom.

4. CORGARD THANKS FOR TH MEMORIES (Dalarno A Shining Legacy x Ch. Corgard Memories of Foxway). Breeders/Owners: Kandy Boll & Michele Pohl, Different type of dog, can imagine he will appeal very much to some judges. Very striking dog of a much stronger, heavier type, real showman, good topline, well muscled hindquarters, a touch upright in front and moved a little close. Impressive mover, though not quite so smooth in side gait as 3. His name indeed brought back memories as last time I judged this show Sandra won BOS with the lovely Grace, I am sure she is much missed by Corgi people.

AMERICAN BRED DOGS (3 entered)

1. CALISTA'S MIDNIGHT RAMBLER (Ch. Foxlor Shafirhaus Sammy Sosa x Ch. Caralon Calista Yes I Can). Breeders: John & Gaye Georges. Owners: John & Gaye Georges and John McCormack. Smart tri boy of neat size, firm level topline, attractive head though ears slightly curled, good neck, strongly made hindquarters, a touch upright in front, strode out well behind, front movement could be a little freer.

2. TRESAITH PRINCE OF BALMORAL (Ch. Putnam Always Splendor x Ch. Tresaith Dream On The River Teifi). Breeder: Janet Putnam. Owners: Katie Bolling and Carol Bolling. Typey tri of different balance to winner, very masculine head, good neck, scored on body length though a touch longer in loin. Better shoulders than 1 but rather straight in stifle and long in rear pastern which affected his topline.

3. TERESELF WINCHESTER (Terenelf Garand x Terenelf Keeping Company). Breeder: Lois Kay. Owner: James Bartzsch. Smaller dark red, smart showman, good topline, OK balance. Slightly plainer in expression, could have more angulation and better shaped feet.

OPEN DOGS (12 entered, 1 absent)

1. LLANDIANS STORM CATCHER (Ch. Aberlee Storm Force x Powdermill Sweet Gold). Breeder/Owner: Dianne Connolly. Stood out in the class and won easily on sheer quality, superbly balanced, has length without exaggeration, excellent head and expression, good shoulders, plenty of forechest, correct topline, beautifully presented and handled. Moved absolutely true though could

have a little more reach and drive. Won a tight battle with the handsome junior to end up **WINNERS DOG**.

2. TRIPLE H RUFF AND READY (Ch. Triple H Joltin Joe x Ch. Summertime Enchanting Eve). Breeder: Deborah Cox. Owner: Kim Warden. Nice masculine type of dog, it was a close decision between 2, 3, and 4; and this one strode out well in the final go-round to clinch his place. Good bone, well-balanced outline, strong hindquarters. Couldn't match winner for ear placement, nor so firm in front.

3. JIMANIE'S PHANTOM OF THE OPERA (Ch. Sua Mah Always In Cahoots x Jimanie's Sweet Talker). Breeders: Stephanie Hedgepath & Linda Galphin. Owner: Linda Tedrow. Very nice masculine black headed tri, admired his head type with good eyes, ears and expression, well balanced, OK hindquarters. Preferred his front to 2 but was rather sluggish standing and moving and tended to let his topline slacken when it mattered.

4. BROGAN RED WING (Ch. Stonecroft's Second Sight x Ch. Brogan Bells Chime). Breeder: Mari Fleming Carroll. Owners: Tracy & Dwayne Brazelton. Similar type to 2 though with better ear placement. Liked his balance, outline, and topline with a powerful side gait. Could have a touch more bone and firmer front, hindquarters OK but not so neatly made as those above.

VETERAN DOGS, 7 YEARS & OLDER (6 entered)

Super class.

1. CH. SANDBOX FLYING FINISH UD HS MX AXJ (Ch. Nebriowa Front & Center x Ch. Sandfox Fly So Free). Breeder/Owner: Vicki Sandage DVM.

2. CH. HALLMARKS OLYMPIAN (Ch. Aubrey Brookehaven Outlandish x Hallmarks Snickers). Breeders: Midge Ruscak & Valerie Brown. Owners: Cynthia & Vincent Savioli & Midge Ruscak.

I have judged these two super boys together three times now, as young up-and-coming stars, as champions in their prime, and now as distinguished senior citizens. Each time 'Austin' has come out ahead by the narrowest margin, but this is no disgrace to 'Sport' who is also one of the best. Austin's classic outline and wonderful side gait, and Sport's gorgeous head and air of quality put them both among the elite.

3. CH. SPRINGMILLS DIPPED IN BRONZE (Ch. Belroyd Bronze Eagle x Ch. Garvins Diamond Tiara). Breeder/Owner: Nancy Oehlhof. Another I gave a top award in his youth, still retains his super type and quality, lovely head, in great muscular condition.

4. CH. FOXTALE STARBOUND (Ch. Honeyfox Starstruck x Ch. Champagne N Caviar). Breeder: Virginia Fitzgerald. Owners: Brian & Barbara Boltz. Delightful chap determined to show us all his party tricks, every inch the showman and still with a gorgeous head.

STUD DOG (2 entered, 1 absent)

1. CH. BRYNLEA IT'S ALL ABOUT ME (Ch. Brynlea All In Jest x Ch. Montmar State Of Attraction). Breeders: M. Puigbo Fernandez & Brenda Stiles. Owner: Lois Kay. Two sable progeny of similar type and size, good bone and stifles, could be firmer in toplines.

BROOD BITCH (2 entered)

1. CH. LIONHEART'S LADY OF THE LAKE (Ch. Caralon's Casper at Gaylord x Ch. Foxwood B-Magic Ally McBeal). Breeders: Daniel Hartman & Debbie Royster & Nyleen Lasier. Owners: Daniel Hartman & Debbie Royster. Dam of two nice substantial sables with good bone and movement.

2. TERESELF'S GRAND BUFFET (Ch. Brynlea It's All About Me x Terenelf's Foxy Fine Dinner). Breeder/Owner: Lois Kay. Two sable children of similar type, not quite so firm in toplines.

BRACE (1 entered)

1. TERESELF'S MAC N CHEESHE (Ch. Cedar Creek's Oliver Twish x Terenelf's Grand Buffet) and **TERESELF'S IT'S ALL ABOUT DA BREW** (Ch. Brynlea It's All About Me x Terenelf's Midnight Star Ale). Breeder/Owner: Lois Kay. Sables of very similar type and style.

GENERATIONS (1 entered)

1. CH. BRYNLEA IT'S ALL ABOUT ME (Ch. Brynlea All In Jest x Ch. Montmar State Of Attraction). Breeders: M. Puigbo Fernandez & Brenda Stiles. Owner: Lois Kay. Again the attractive sable colouring is very dominant, something we seldom nowadays see in Britain.

BEST OF BREED

CH. ABERLEE STORM FORCE (Aberlee Summer Storm x Vlandyn Star Romance). For sheer breed type and glamour he was the one on the day, a most beautiful headed dog with class all through, underneath a full coat he has an excellent neck, beautiful body shape, good topline, and just the right amount of bone. Stands true and moves absolutely soundly, in peak condition, and in his prime. Is certainly making his mark on the breed, sire of WD and RWB today. Congratulations to his owner and to his clever Australian breeder, quite an achievement to breed in one litter him and his wonderful sister whom I made BOB at the Sydney specialty.

BEST OF OPPOSITE SEX

CH. MAPLECREEK POT O'GOLD TIME ENUFF (Ch. Byendebrok Maplecreek Baccarat x Dwynella Chance In Time). Breeders: Mindy Holmes & Pat Bittles. Owners: Pattie Bittles & Sue Klar. What a delightful feminine bitch, with the most charming head, ideal balance, and a super topline. Moved smartly and made a really excellent overall package.

BEST OF WINNERS

TARA ONLY IMAGINE (Ch. Sua Mah Thanks For Believing x Ch. Tara Triad Crystal Rain). Breeders/Owners: Sandy & Tom Butler. Sent through by Andy from what looked like a wonderful entry of bitches, this beautiful girl made a super picture with every part fitting neatly into the next, topped off by excellent movement, made a strong challenge to the more mature bitches and must have a great future.

AWARDS OF MERIT

LLANDIANS STORM CATCHER (winners dog).

CH. SANDFOX FLYING FINISH UD HS MX AXJ (veteran dog).

CH. NORTHWYND'S GENESIS (Ch. Stonecroft's Second Sight x Ch. Linincorgis Partly Sunny). Breeders/Owners: Kelly Otto & Yolanda Lininger. Really lovely bitch who came close to Time Enuff, there was virtually nothing between them.

CH. VLANDYN ANGELIQUE (Vlandyn Star Trek x Anbenly Adorable). Breeder: Dianne Heslop. Owners: Janet & Tom Bodin & Yolanda Lininger. Gorgeous Aussie, you would never believe she was a veteran, pretty head and quite the showgirl.

CH. AUBREY'S FOREVER N FOR ALWAYS (Ch. Dwynella Take A Chance x Aubrey Oakwind Abbey Rd). Breeders: Roberta Lord & Cynthia & Vincent Savioli. Owners: Cynthia & Vincent Savioli. Smart and showy and as sound a mover as you will ever see.

CH. NEBRIOWA VERACITY (Ch. Nebriowa Triple Play x Ch. Belroyd Dovekie). Breeder/Owner: Thomas Mathiesen. Her lovely dam was best of winners last time I judged this show and this one has all her mother's quality and her classic head type.

BEST PUPPY

LININCORGI NORTHWYND EVERLASTING (Ch. Stonecroft's Second Sight x Ch. Linincorgis Party Sunny). Breeders/Owners: Yolanda Lininger & Kelly Otto. Deliciously feminine youngster with all the promise for an exciting future, younger sister to Genesis and with comparable quality at this stage.

BITCH CLASSES

Thank you to all the members of the Potomac Specialty for putting on such a wonderful show and the super care and attention paid to me by all. To the fantastic exhibitors that accepted my decisions so graciously. A special thank you to Carolann Van Wyen who so happily drove me to

and from the show and even ironed my shirt and trousers! Hospitality beyond compare.

One overall comment I would like to note: Wow, what fantastic bitches I judged. the depth of quality was something I have never seen at one show. There were so many deserving winners bitches. Our breed in the bitch department is in super shape and so many I didn't even have a ribbon for will go on to make their mark in the ring and in the breed.

~Andy Carter (Saddle Lane)

PUPPY BITCHES, 6-9 MONTHS (15 entered, 1 absent)

What a spectacular class of first-class puppy bitches!

1. LININCORGI NORTHWYND EVERLASTING (Ch. Stonecroft's Second Sight x Ch. Linincorgis Partly Sunny). Breeders/Owners: Yolanda Lininger & Kelly Otto. A stunning red bitch which in this class so represented the standard in my eyes. She never put a foot down wrong, gorgeous head, outline, balance and has that rare halo over her head. She just floated across the ring. Shown in magnificent condition with such care that this team made quite the pair. I loved everything about this baby. So correct in everyway, she should go on to take the world by storm! **BEST PUPPY.**

2. MERTHYR I THOUGHT SO TOO (Woodhenge The Dream Keeper x Merthyr Thanks So Much). Breeder: Lesley Chalmers. Owner: Ann Baker. So close to the one above, a stunning black headed tri that I could have taken home. Hard to believe two puppies in a class have this extra ordinary quality. Moved with reach and drive could have watched her all day. Type and outline almost perfect in my book. What a lovely quality puppy in everyway.

3. MAPLECREEK WORTH THE WAIT (Ch. Aberlee Bransby x Ch. Myllwyn Make A Wish). Breeder: Mindy Holmes. Owners: Steven Wyerly & M. Holmes & B. Williams DVM & B. Shelton. Another gorgeous bitch puppy, with outstanding type and balance who also moved well around the ring. In excellent condition and shown to perfection. Beautiful eye and expression. Earned a 3rd in this class only because I like the reach and drive a bit better on those above. I am being very, very picky on a lovely bitch I would be proud to own.

4. LIONHART'S FINN-ISH FIRST (Anwyl Winds O Change x Ch. LionHart's Lady Of The Lake). Breeders/Owners: Dan Hartman & Debbie Royster. A gorgeous sable puppy that could change places in a second with those above. Feminine with a flawless outline. Great head and expression, shown so well and I believe will be a future star. I loved her.

PUPPY BITCHES, 9-12 MONTHS (12 entered)

Another outstanding class of puppy bitches.

1. CALLOWAY REINWOOD ANGEL SONG (Ch. Hum'nbird Nathaniel Hawthorne x Calloway Parlor Repartee). Breeder: Pam Hudson. Owner: Mary-Elizabeth Simpson & Cathy Santarsiero. A red & white of exquisite type. Perfect balance and outline, magnificent head, best side gait in the class. Shown so well and in excellent condition. I think she is gorgeous.

2. CORIZMA POTIONS (Ch. Tallyrand No Greater Love x Ch. Milestone Tennis Bracelet). Breeders: Terri New & Donna Gilbert. Owners: Terri New & Mike New. An outstanding black headed tri, superb condition, showed to perfection and a pushed the one above hard. Never put a foot wrong, great reach and drive and what a showgirl. A star in the making for sure.

3. GREENWOODS DIVINE MISS M (Ch. Pempcader Belroyd Zodiac x Ch. Greenwood's Moonlight Madness). Breeders/Owners: Deidre Rodgers & Mary Greenwood. A very pretty red & white bitch, lovely in everyway standing, no flash but lots of quality through out. Very unsettled on the move today, difficult to evaluate movement as raced around the ring. Look forward to seeing her again. Won on her outline and balance. Could not deny her quality which earned her a 3rd in this class.

4. SANDYSHIRE ICE KIST (Ch. Belroyd Seabird x Ch. Aberlee Summer Flight). Breeder/Owner: Patricia Sandy-Smith. A very typey red & white bitch, I love her outline and balance and very attractive head. Lost to those above as she didn't make the most of herself today.

PUPPY BITCHES, 12-18 MONTHS (15 entered, 2 absent)

A beautiful class of super quality bitches.

1. **TARA ONLY IMAGINE** (Ch. Sua Mah Thanks For Believing x Ch. Tara Triad Crystal Rain). Breeders/Owners: Sandy & Tom Butler. Wow! I couldn't keep my eyes off this bitch the minute she walked into the ring. This bitch truly never put one foot wrong. She excels in type, balance, outline, movement and so sound coming and going and from the side. So nice to go over, proper shoulder construction, angles front and rear. In great condition and handled with such love and care. Another great team. The perfect size bitch in my mind, I could write a book about all I like about her. A stand-out in this class and of the day so far. **WINNERS BITCH, BEST OF WINNERS.**

2. **CORGARD KAYBE MEMORIES FOREVER** (Dalarno A Shining Legacy x Ch. Corgard Memories Of Foxway). Breeders: Kandy Boll & Michele Pohl. Owner: Sherryn Viebrock. My first note on this bitch says "moments of greatness". Outstanding outline, shown to perfection. Wonderful outline and balance, love her reach of neck. In great condition, preferred the short hocks of the one above, oh being so picky on a lovely bitch.

3. **BRYNLEA FRENCH TWIST** (Ch. Gaylord's Poitier x Keepsake Brynlea Kizmet). Breeder/Owner: Brenda Stiles. A super attractive bitch, sound in all directions, a complete package and shown and conditioned so well. Pushed #2 hard, splitting hairs between these two.

4. **BOJOJAMILE BRUSH WOOD** (Fergwyn Robert Peel x Bojojamil Brush Strokes). Breeders/Owners: Robert & Valerie Hutton. Such an honest bitch, loved her bone, outline and balance. Sound in all directions. Earned this 4th in a very tough class. Handled to perfection and in lovely condition.

1. **FAERIETALE CURIG PREMONITION** (Ch. Stonecroft's Second Sight x Ch. Curig Faerietale Sand Pebbles). Breeders/Owners: Susan Neave & Barbara Du Pree. This bitch excels in outline and balance. 2. **MOOSEHILL CAN'T STOP LOV'N EWES** (Ch. Aberlee Storm Force x Putnams Oh So Chic). Breeder/Owner: Carla Hellander. A gorgeous headed bitch drips in type. Shown so well by her handler, in excellent condition. Loved her outline and balance, length of rib and angles front and rear.

3. **SASSAPINE BE STILL** (Ch. Tallyrand No Greater Love x Ch. Tara Triad Singin In The Rain). Breeders: Amy Caple & Sandy Butler. Owner: Amy Caple. A stunning black headed tri girl, awesome condition, super outline and a good mover in all directions. A tough class.

4. **SANDYSHIRE EVENING SHOWER** (Ch. Aberlee Storm Force x Ch. Sandyshire Summer Breeze). Breeders/Owners: Patricia Sandy-Smith & Joan Baker. Another bitch with a beautiful outline, lovely type, loved her length and overall quality. Being picky in a super class, just preferred the movement from the side on those above.

AMERICAN BRED BITCHES (4 entered)

1. **BRYNLEA MAGICALLY DELICIOUS** (Sandfox Heavenly Magic x Brynlea Black And Decker). Breeders: Brenda Stiles & Drucilla Crowell. Owners: Jackie Hook & Brenda Stiles. A very flashy super quality bitch, in excellent condition, best mover in the class, moves so well from the side. Love her outline and balance, shown so well to maximize all her positive virtues.

2. **TRIPLE H MAKING AN A'PEARANCE** (Ch. Hum'nbird Keepn Up'pearances x Ch. Putnam Enchanting Splendor). Breeder/Owner: Deborah Cox. A great quality bitch, preferred the outline of the one above, a bit shorter and taller than the one above. This though is a super quality girl, shown so well and in such good condition also.

3. **TRIPLE H SOUTHERN PRIDE** (Ch. Windcrest Pilgrim's Pride x Ch. Honeyfox Queen Bee). Breeder: Deborah Cox. Owner: Janet

Robinson. A gorgeous typey bitch, loved her head with a beautiful dark eye. Preferred the topline of those above but this is a lovely bitch.

4. **COVENTRY CHICORY WAKEFIELD** (Ch. Wakefield Dandelion x Ch. Coventry Quintessence). Breeders: Steve Laverly & Bill Shelton & B. Williams, DVM. Owners: P. Kessler & P. Dent & Clair Garrison. OPEN BITCHES (18 entered, 4 absent)

1. **AUBREY'S JUST FOR FUN** (Ch. Aberlee Storm Force x Aubrey's Enchanting Moments). Breeders: Cynthia & Vincent Savioli. Owners: Roberta Lord & Cynthia & Vincent Savioli. This outstanding bitch really earned this placement in this class. She is stunning, shown to absolute perfection, and didn't let down for a moment. I must have come back to her 10 times. She excels in breed type, sound movement and is the ultimate show girl. **RESERVE WINNERS BITCH.**

2. **NEBRIOWA VELVET RIBBONS** (Ch. Nebriowa Chance Of A Lifetime x Ch. Nebriowa Hello Good Lookin). Breeder/Owner: Thomas Mathiesen. A very fancy tri girl who pushed for the number 1 spot. Could have looked at her beautiful type all day. Loved her outline and balance, in the end just preferred the combo of type and movement above. Show so well and in excellent condition.

3. **CURIG FAERIETALE AMARYLLIS** (Ch. Aberlee Storm Force x Faerietale Curig Bewitched). Breeders/Owners: Barbara Du Pree & Susan Neave. Another lovely bitch, preferred, oh so picky again, the length of those above but this is a super bitch as well.

4. **SASSAPINE ALL THINGS NEW** (Ch. Tallyrand No Greater Love x Ch. Tara Triad Singin In The Rain). Breeders: Amy Caple & Sandy Butler. Owners: Amy Caple & Marjorie Wilmarth. Another bitch that is simply lovely. So tough to find fault with an overall quality bitch, nice outline and breed type. Simply like those above more with the combination of breed type and movement.

WINNERS BITCH

TARA ONLY IMAGINE. I loved my entire lineup for winner's bitch. Every bitch could have won this award. The shining star today was a bitch that has the combination of type, outline, movement and balance. This bitch has it all in my eyes. Nothing extreme, just so very correct. I loved her moderate size and an attitude that just screams "pick me."

Congratulations to her breeder and owner, she is incredible!

RESERVE WINNERS BITCH

AUBREY'S JUST FOR FUN. This bitch pushed hard to get the major. Very little separated these two bitches. I would like to own them both! Congratulations to the owners and breeders of this knock-out bitch as well.

VETERANS BITCHES, 7 YEARS & OLDER (1 entered)

1. **CH. VLANDYN ANGELIQUE** (Vlandyn Star Trek x Anbenly Addorable). Breeder: Mrs Dianne M Heslop. Owners: Janet Bodin & Tom Bodin & Yolanda Lininger. There may have been only one in Veterans today, but you sure cannot get nicer than this bitch. So typey, so correct and what a representative of the breed. Shown in superb condition and with love and care. I just love this bitch.

SWEEPSTAKES CLASSES

Thank you to the members of the Pembroke Welsh Corgi Club of the Potomac for the honor of judging your sweepstakes classes. Thanks go to Shawn Michael the hard working show chair, Carolann Van Wyen who collected me and delivered me back to the airport and saw to it that I was well cared for, and to Gigi Fitzgerald who drove me to the lovely dinner at the Days. Barbara Bounds and Mary Beauchemin were excellent stewards and helped keep things on track. The only thing that came close to challenging my judging experience was the wonder dinner party prepared and hosted by Walt and Brenda Day. The judge's gift of

the lovely figurine will be a treasured addition to my collection, and the rain jacket and cap will be well used.

This being one of the major specialties for our breed, I was expecting quality and certainly was not disappointed. There has been a marked improvement in the quality of the males, and the quality was especially deep in the bitch classes. I felt that the Best in Sweeps and Best Veteran Sweeps winners were truly outstanding individuals. One word of caution, however; I found a surprising number of dogs with short rib cages, long loins, and, at times, both. They are not correct, and certainly would not be an aid in doing the jobs for which corgis were bred.

Thanks to the exhibitors who allowed me to judge their dogs. They showed great sportsmanship and graciously accepted my decisions. The following comments are my thoughts on the entry as I found them on the day.

~Robert Simpson (*Vanguard*)

PUPPY DOGS, 6-9 MONTHS (9 entered)

1. **BRYNLEA HOWS THINGS AT ULAMAUNA** (Brynlea These Foolish Things x Brynlea All The Trimmings). Breeder: Brenda Stiles. Owners: B. Stiles & D. Brooks. Lovely redheaded tri with lovely bone carried down to the foot. Came and went well. A little stagey in the rear at this time. Attractive picture moving around the ring. Well presented.

2. **FOXWOOD LIONHART ALADA FINN-ESSE** (Anwyl Winds O Change x Ch. Lionhart's Lady Of The Lake. Breeders/Owners: Debbie Royster & Daniel Hartman. Attractive redheaded tri with a fine necklace of a collar. Very pretty eye surrounded with black pigmentation. Very good mover. However his topline failed him at times on the move. Will tighten all over with age. A close decision.

3. **RYSLIP MOONWALK WAKEFIELD** (Brynelli Double Exposure x Ryslip Moon Eclipse). Breeder: Mrs. C. E. Cartledge. Owner: Peggy Kessler. Very pretty red & white with a good outline. Stopping four square. Not as glamorous in head or coat as the above. Would prefer a bit more bend of stifle. A sound, honest dog.

4. **TRIPLE H PERSONAL A'PEARANCE** (Ch. Triple H Joltin Joe x Triple H Deliteful A'Pearance). Breeder: Deborah Cox. Owner: Janet Robinson. A red & white who made good use of his shoulder powering his way around the ring. Promising youngster just lacking in ring experience and exposure.
