## PRESIDENT'S MESSAGE

Dear PWCCP Members,

In the Fall issue of the Tide, I wrote about tradition, change, and the future of our club. Little did I know at that time all of the changes we would be experiencing for the upcoming 49th and 50th Specialties. While I can report that there have been many challenges to overcome, as a membership, we have met those challenges. Plans are in place for a fun celebration with corgis being the main attraction in multiple disciplines. All of this could not have happened without the dedicated support of the PWCCP membership, the committee chairs, and their members going that extra mile, along with the cooperation of the Holiday Inn Morgantown staff and Rau Dog Shows. Planning a Specialty at the new site and working with a Superintendent rather than a Show Secretary required many hours of planning, back and forth e-mails, and hotel visits. We had to accept and demonstrate the ability for all of us to allow change and be flexible in our new "new." I thank every club member for their support and loyalty to the upcoming Specialty. Please visit our website for Specialty information and updates. Fingers crossed for sunny skies and warm days April 17th to the 19th. Saying that, with some of the challenges we have faced, let's all hope that snow doesn't decide to make its final Spring appearance!

Changing pace, I would like to remind everyone to mark your calendars for two upcoming events. On May 11th and 12th, the club will be offering the Coursing Ability Test CABT, which will begin at 12:30 pm each day. The event will take place at the Walkersville VFD in Walkersville, MD. For more information contact Carol Schwartz, Chair. June will bring us the ever-popular Fun Fair to be held on June 22nd at the Johnsville Ruritan Club, 11136 Green Valley Rd, Union Bridge, MD. Our sub-title for this event: Puppy Ring Time Fun, Fun Fair, Parade of Rescues provides a hint that you will find some new and traditional events being held this day. Plan to attend, bring your friends, and spend a most wonderful day with your corgis. I urge our corgi breeders to send a special invite to all of your puppies (and their owners) who have found new homes in the past years. More detailed information on this event can be found in the Tide or on our website in the coming months.

Thanks to each and every one of you for the love you share for the Pembroke Welsh Corgi Club of the Potomac. You are the ones who make this a very special club.

--Barb Boltz

## MEET THE BREEDS, NYC

by Carol Lord Openhym

Photos by Carol Lord Openhym

*The annual AKC meet the breeds event was held on January 27 and 28th at the Javits Center in New York City. Bobbe Lord chairs the Pembroke Welsh Corgi booth and made a call out for volunteers at the 2023 National. That sounded like fun and would be a perfect adventure for Bennett, GCH CH Hum'nbird Rock Opera RE BCAT CGCA TKN, and me. I chose Bennett because he is a very laid-back boy, and nothing really fazes him. I knew he would be able to handle the NYC environment (no grass!) and the crowds. Turns out, he was made for events like this. He loved every minute!*

*We arrived in NYC on Friday and volunteered at the event on Saturday. PWCCP member John Dugan supported the event on Sunday.*

*We arrived at Javits Center around 8am Saturday and quickly realized that this event was as big as my software conferences -- but for dogs! It was suggested that I take a walk around the venue before the crowds rolled in. That was good advice! I browsed through the AKC store and picked up a couple items before heading back to the booth.*

*The crowds started rolling in around 9am. By late morning, the Pembroke booth was packed! We had two grooming tables set up for visits, gave out little corgi stickers, and single page flyers that illustrated the correct colors for Pembroke Welsh Corgis (no merles!) with links to the PWCCA website for further information. Bobbe had also brought a bag of corgi hair from her boy who was in the middle of his seasonal shedding, a visual aid to help answer the inevitable question "do they shed?"*

*For much of the day, the PWC booth was seven to eight deep with people waiting to meet our corgis. In addition to the two on grooming tables, we had at least two on the floor in front of the booth. Visitors were introduced to our dogs, told their name and age, and about what AKC sports they did. Many visitors seemed knowledgeable and asked great questions. The most common questions were about maintaining the health of our Pembroke Welsh Corgis. I explained that one of the most important things is to keep them to an appropriate weight. Bennett was a good sport when I showed them how to feel the ribs to check for this. Questions on grooming were also common.*

*It was fun to see the expressions on the peoples' faces when they approached and met our dogs. Pure joy! I spotted one little girl, about 8 years old, who was literally vibrating with excitement as she approached Bennett. She quivered with happiness at being able to meet and pet a corgi as well as asking some great questions about Bennett and corgis in general.*

*Bennett was a trooper – never tired of the visitors and was all smiles throughout the day. I think I was more tired than he was at 4pm!*

*I will gladly attend at this event again and encourage others to consider volunteering. It's fun and a great way to educate the public and visit New York!*

## LEGISLATIVE NEWS

---

This January, the Maryland Senate Judicial Proceedings Committee held a hearing on a bill that includes establishing requirements for the microchipping of dogs upon a transfer of ownership if the dog has not already been microchipped.

Senate Bill 157 would require that a person (defined as an individual, an animal rescue organization, a retail pet store, and an animal shelter, or other animal rescue organization) who transfers ownership of a dog shall have a microchip implanted into the dog, if the dog has not already been chipped before the transfer of ownership. Additionally, the person is required to provide the new owner of the dog with the name of the microchip registration company and information on how to provide updated contact information with the company.

The bill further requires the owner of a dog with a microchip to maintain current contact information with the microchip registration company and requires the microchip registration company to retain records of the name and address of the owner associated with each dog for a period of at least 20 years.

The bill does not provide for any penalties; however, it allows each county to establish reasonable penalties for violations of the microchip requirements.

Finally, the bill would increase the penalties for abandoning a domestic animal on a road, in a public place, or on private property.

**Any or all of the following items may be submitted:**

- Registered and call name of the dog.
- Sire and dam. It is generally a good idea to include the sire and dam for conformation Corgis. Sire and dam may be included for performance dogs. Rescue Corgis in performance under the AKC PALS program would not have a breed history, so would not have this included.
- What was achieved? What accomplishment(s) are you advertising?
- Where was it achieved (location and show)?
- Under which judge?
- On what date?
- Breeder (may be acknowledged formally or with such phrases as heartfelt thanks, etc.)
- Handler (including owner/handler and in the case of a handler not the owner may include thank yous).
- Owner (in the case of a particularly crowded ad, where the owner/handler is pictured, this can be noted in the picture).
- Photos: You must supply the name of the photographer or studio, even if you took the pictures yourself. It is the policy of The Tide to give attribution on all photos. Attribution is a legal requirement for professional photos. If there are special circumstances where the photographer is not known, please discuss with the Advertising Editor, or with the Editor.
- People in the photos: Judge and professional handler may be identified out of courtesy and as helpful information. Owner/handler is optional if ad is submitted by the owner/handler.
- Kennel logos are a good idea and may be included.
- Phone numbers, addresses, and email of breeders can be included by the breeder or with permission of the breeder if they are the advertiser, a member or if they co-own the dog with the advertiser. Publication of non-club members' names, addresses, and phone numbers may be listed in the Tide for those who co-own dogs with the advertiser.
- Finally, include any special text or explanations. (Please note that space is limited, and a long text will result in much smaller pictures, etc.)
